

Order	Movement	Time Counted in Seconds
Load	From Shoulder Arms: Swing your musket in front of you, holding with left hand below trigger at 45 degrees. Pull back cocking mechanism with your right hand.	1001, 1002
Handle Cartridge	Reach into cartouche box for a cartridge, bring it up to your mouth and bite off the top (make a spitting sound!). Grab a fresh cap.	1003, 1004, 1005 (Must hear them spit)
Prime	Pour powder into pan. Change cap and ease the cocking mechanism back into closed position.	1006, 1007
Cast About	Swing the musket away from you, placing the butt on the ground next to your left foot with trigger facing outwards. Pour contents of cartridge into musket barrel.	1008, 1009
Draw Ramrods	Pretend to pull out the musket ramrod. (Pull ramrod upward and flip it around)	1010, 1011
Ram Down Cartridge	Ram cartridge down the musket barrel 3 times.	1012, 1013, 1014 (Leader will count out this time aloud)
Return Ramrods	Return the ramrod to its holder on your musket. (Pull ramrod upward and flip it around)	1015, 1016
Shoulder Arms	Bring your musket up to your shoulder.	1017 (Call out the order and count silently to yourself)
Make Ready	Carry musket in front of your body, turning it so trigger is on right side, grasp below trigger with right hand and pull back the cocking mechanism. Place your left hand on the musket stock.	1018, 2019 (Call out the order and count silently to yourself)
Present:	Bring the musket butt to your right shoulder, point it in the direction of the enemy. Front Rank move right their foot back, while the Rear Rank moves their right foot sideways to steady themselves.	1020 (Call out the order and count silently to yourself)
Fire!	Pull the trigger. Wait for the next order whether to Reload or Shoulder Arms.	1021 (Call out the order and count silently to yourself)
